

Boy Scouts Invite Americans to Fly American Flag on Patriotic Holidays

An invitation to patriotic Americans will be issued by Boy Scouts on Saturday, May 27.

The Scouts are inviting citizens to join with them in flying the American Flag on patriotic holidays, especially Memorial Day, Flag Day, and Independence Day.

Boy Scouts, Cub Scouts and Explorers of the Los Angeles Area Scout Council have pledged that they will call on homes in their neighborhood on Saturday to encourage families, friends and neighbors to display their flag on patriotic holidays.

This patriotic Good Turn has been commended by the Los Angeles County Board of Supervisors, which issued a resolution praising the Scouts.

On Saturday, their Patriotic Good Turn Day, Scouts will present householders with an attractive card inviting them to join the Honor Roll of people who have pledged to observe national patriotic holidays by displaying their flag.

On the back of the card is printed the story of why America celebrates Memorial Day (May 30), Flag Day (June

14), and Independence Day (July 4), and information on how and when the flag should be displayed.

The Pledge of Allegiance and Scout Oath are also reproduced.

For citizens who do not have an American flag, Scouts will have available new, 50-star flags, complete with pole, bracket, halyard and three by five foot cotton flag.

They will sell the complete kits for \$4.25 each.

The national campaign is modeled after a similar "Hire Now" campaign of the California Department of Employment which began in February.

campaign, declaring that it is California's destiny to lead the nation's economic and cultural growth.

"California's 'Hire Now' campaign has now been adapted by President Kennedy as the model for a nationwide drive in support of the economy. So as Governor I call upon the entire business community of the state to continue to cooperate in this job drive.

Lomita Chamber Cancels Planned Dinner Meeting

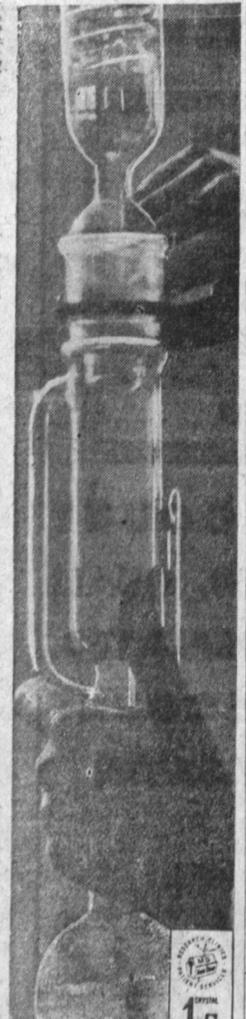

Because of a lack of firm commitments, the dinner meeting of the Lomita Chamber of Commerce, previously scheduled this evening has been cancelled.

While it is regrettable, according to Ed Gregory, program chairman, the Chamber ran a spot check by phone of the membership and found that there would not be enough attendance to sustain the program planned.

"I hope those who sent in reservations will not be inconvenienced," said Gregory. "We wish to thank those who did make a firm commitment. Also, we wish to thank all the newspapers in the area who so graciously helped us with the news releases. All we can say — 'It was just one of those things that had to happen!'"
